Molly,

Rating this account as NEMT, the premium indication is \$43,881. This is based on clean MVRs and no prior auto losses.

The Progressive ID card you sent shows the named insureds to be Dion and Lynn Purcell. Who are these two? Are they the former owners?

We will need to submit to the insurance company for review and approval, so let me know if pricing is competitive. We will need to know the insured's prior experience in public livery (transporting people). Also, there are three vehicles, and two drivers. Is the insured hiring another driver?

Thanks,
